Woodland™ Lifetime Designer Shingles Offer You These Great Benefits:

- **Affordable Luxury...** Woodland™ Shingles are only a fraction of the cost of traditional slate, wood shakes, or expensive metal roofing
- **Sophisticated Design...** Artisan-crafted shapes combined with oversized tabs and a dimensional design result in a sophisticated beauty unmatched by typical shingles
- **Custom Color Palette...** Specially formulated color palette is designed to accentuate the shingle’s natural appeal
- **High Performance...** Designed with Advanced Protection® Technology, which minimizes the use of natural resources while providing superior protection for your home (visit www.gaf.com/aps to learn more) 
- **StainGuard® Protection...** Helps assure the beauty of your roof against unsightly blue-green algae* 
- **Safer...** Class A fire rating from Underwriters Laboratories—the highest rating possible—and safer than wood shakes or some plastic/synthetic shingles, which carry only a Class C fire rating!
- **Stays In Place...** Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles warranted to withstand winds up to 130 mph!†
- **The Ultimate Peace Of Mind...** Lifetime Ltd. transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years* 
- **Perfect Finishing Touch...** For the best look, use Timbertex® Premium Ridge Cap Shingles with StainGuard® Protection. In the West, use Ridglass® Premium Ridge Cap Shingles.

* See GAF Shingle & Accessory Ltd. Warranty for complete coverage and restrictions. The word “Lifetime” means as long as the original individual owner of a single family detached residence (or the second owner in certain circumstances) owns the property where the shingles are installed. For owners/structures not meeting above criteria, Lifetime coverage is not applicable.

† 130 mph wind coverage requires special installation; see GAF Shingle & Accessory Ltd. Warranty for details.

GAF offers you many great Lifetime Shingle choices, including **Timberline®** Shingles with Advanced Protection® Technology. They're the #1-selling shingles in North America!

Advanced Protection® Technology results in superior protection for your home, while reducing the use of precious natural resources. That's better for your home—and better for the environment!

To learn more about why Advanced Protection® Shingles are your best choice, visit www.gaf.com/aps.

Roof Deck Protection

Allows moisture to escape from your attic while providing an exceptionally strong layer of protection against wind-driven rain. Also, lays flatter for a better-looking roof.

Leak Barrier

Provides exceptional protection against leaks caused by roof settling and extreme weather. Ideal upgrade at all vulnerable areas (including at the eaves in the North*).

*In the North, building code requires the use of Leak Barrier at the eaves.

Starter Strip Shingles

Saves time, eliminates waste, and reduces the risk of blow-off...and may even help qualify for upgraded wind warranty coverage (see *Shingle & Accessory Ltd. Warranty* for details).

Cobra® Attic Ventilation

Helps remove excess heat and moisture from your attic that can raise your energy bills, cause premature peeling of interior paint and wall-paper, and even affect your health.

Ridge Cap Shingles

Enhances the beauty and value of your home—while guarding against leaks at the hips and ridges.
